## YOU SAID

More UCAS training needed for tutors to support students when making final University choices

## WE DID

UCAS launch planned for June 2021 with increased staff training

## YOU SAID

Positive feedback on recent postcard from college 'Your future is closer than you think', meant we thought about our next step prior to tutorial

## WE DID

Will develop more use of this method of communication in 21-22

## YOU SAID

GCSE information was a bit confusing

## WE DID

We try to act on information as and when we received it from awarding bodies so sorry for any confusion

## YOU SAID

Stressed with A level exams

## WE DID

Sorry you are stressed, talk to your tutors, there is always help available. We appreciate that this year wasn't as expected in terms of assessment due to Covid and this has increased the stress levels for all.

**YOU SAID**

What is the process for returning our iPads this year?

**WE DID**

Details should be released very soon. The digital team will be coming to your classes mostly to make it earlier for you to hand in or audit your iPad if you are staying with us.

**YOU SAID**

How can we mark the end of the year? Thank you boxes

**WE DID**

Thanks for your suggestions, we are putting something exciting together.

**YOU SAID**

What would you keep from this year? Being able to attend classes remotely or watch recordings so we don't miss out if unable to attend

**WE DID**

The teaching staff will be working on blended teaching, learning and assessment. We don't want to lose the good elements of digital learning, but are looking forward to having students back on site for next year.

**YOU SAID**

Remote parents evening via Teams

**WE DID**

We will adopt this for 21-22 as well as an option for parents to attend if required.

**YOU SAID**

More space in classrooms, we like own tables but hate windows open

**WE DID**

We will look at space. Hopefully Covid restriction will lifted soon and the requirement for window to be open lifted.

**YOU SAID**

Showbie has been really helpful, easy to store all our work, see deadlines etc clearly

**WE DID**

Thanks for feedback, we think Showbie is great too!

**YOU SAID**

Lack of learner voice rep meetings in some specific named areas.

**WE DID**

Will be raised with relevant AAM.

**YOU SAID**

Specific named delivery teams tutorials; sent information but not met with face-to-face.

**WE DID**

Will be raised with relevant AAM. Tutorial plans for 21-22 will include 121 sessions with students at least every 3 weeks.
